MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director (Plans) *[Signature]* 1 MAR 1961

SUBJECT: Defense-CIA Agreement on Delineation of Responsibilities for Evasion and Escape

1. This memorandum recommends action by the Director of Central Intelligence.

2. Background: The attachment replies to a memorandum from the Joint Chiefs of Staff, which requested CIA comment or concurrence on a proposed revision of the Defense-CIA Agreement on Delineation of Responsibilities for Evasion and Escape. An earlier draft of the proposed revision was circulated throughout the Clandestine Services, and all our important comments and suggestions have been incorporated in the present draft.

3. No changes in basic CIA or Military responsibilities, as delineated in the present Agreement, have been proposed. The revisions consist primarily of rewording to reflect changes required by the Defense Reorganization Act of 1958, and a reorganization of the paper. Certain minor editorial comments have been given informally to the JCS Action Officer, who has accepted them.

4. This action has been coordinated with Clandestine Services Staffs and Divisions concerned, as well as with representatives of the DD/I and the DD/S. I recommend that you sign the attached memorandum to the Chairman, Joint Chiefs of Staff.
